

STATEMENT OF PURPOSE

RS23257

Amend language in section 54-1406, Idaho Code removing the requirement that the Board must approve any curriculum change in a nursing program (private or public) that may alter existing articulation agreements between educational institutions. The Board would continue to approve program changes at the public institution as specified in Board policy but would not be involved in approval of specific curriculum changes. Those changes would be handled within the articulation agreements.

FISCAL NOTE

There will be no fiscal impact from this change.
